Accessibility Statement | Intralign

Effective Date: 1 January 2025

Intralign ("we," "our," "us") is committed to ensuring our website www.intralign.org is accessible to everyone, including people with disabilities. We aim to provide a user-friendly online experience that meets accessibility standards in line with the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA.

1. Accessibility Commitment

We strive to make our website:

Perceivable, so information is presented clearly and can be interpreted by assistive technologies.

Operable, allowing all users to navigate and interact with the site easily.

Understandable, with clear content, structure, and instructions.

Robust, ensuring compatibility with current and future technologies.

2. Measures to Support Accessibility

To improve accessibility, we:

Use semantic HTML and structured content to aid screen readers.

Ensure sufficient colour contrast and readable fonts.

Provide alternative text for images and other non-text content.

Implement keyboard navigation for key interactive elements.

Regularly test the website for accessibility issues and fix them where possible.

3. Known Limitations

While we work to make our website fully accessible, some content may not yet meet all accessibility standards. Examples may include:

Third-party content or embedded features that may not be fully accessible.

PDF documents or other downloadable files that have not been optimised for screen readers.

We are committed to improving accessibility over time and addressing any barriers promptly.

4. Feedback and Contact

We welcome feedback on accessibility and encourage users to contact us with any concerns or suggestions:

Email: office@intralign.org
Phone: +61 26170 6400
Address: 18 National Circuit Barton ACT 2600

We aim to respond to accessibility inquiries within 5 business days.

5. Alternative Access

If you encounter any content or functionality that is difficult to access, we will provide an alternative means of access upon request, such as a text-based document or direct assistance.
